Thomas and Mary (Pearson) I THINK this may be William (1775-1844) son of Wm and Jane (Devis) GREY line, who was living in Crosby Garret with his wife Mary in 1841 I can't be sure of the identity of any of these three, but it is highly likely that the first two of the entries refer to John Adamthwaite (172-1850) GREY line - son of Wm and Jane (Devis) and his son John (1794-1865) who married Sarah Steel in 1818. I am pretty certain this is the Thomas (~1754 - 1830) who married Ann Fawcett, who died in 1830 at Stennerskeugh - though we have not yet worked out which line he belongs to. (-1744-1836) married to Hannah Whitesmith. We have never found a birth record for him, so do not know if the BLUE line (of which he is the head) links to any other line - though certain coincidental events suggest a possibility that there is a link to the YELLOW line. see entry above - we know that for a short period he was also an innkeeper in Appleby James and Sarah (fothergill) (1796 - bef 1838) (1780 - 1843) Ill.son of Eliz.Adamthwaite (d.
